

ECF Delegate's Report

Steve Westmoreland says in an e-mail that, for a report on the 2025 ECF AGM, it is difficult to surpass Chris Lewis' piece mentioned on the English Chess Forum, quoting from the Shropshire CA Website (see [here](#)). Steve says he was very impressed by Derek Lloyd, who was elected to a non-executive director post, and that Richard Walsh (Lancashire President) looked a good choice when elected as new ECF Chief Executive Officer. He adds that Malcolm Pein (who is International Director and FIDE Delegate) was very interesting with the FIDE update - and "yes", the meeting was a shambles.

Steve concludes, "Note I also went to vote down the Finance Committee report - it was poor."
